Our cadets will voyage into outer space praising God. Through daily missions, kids will see space like never before, gain a new perspective on our planet Earth, and learn easy "green" earth for home. This cosmic combination of faith and fun will have our cadets developing a personal relationship with God through Jesus Christ.

- **Mission: Creation of the Universe: Our God is wonderful!**
- **Mission: Elijah at Mt. Horeb: Our God is incredible!**
- **Mission: The Woman at the Well: Our God is amazing!**
- **Mission: A Blind Beggar in Jericho: Our God is magnificent!**
- **Mission: Two Disciples in Emmaus: Our God is awesome!**

As we love God & others we will collect items to build Health Kits, which will be sent to areas affected by disasters like earthquakes & floods, to help people rebuild their lives. Our gifts will be distributed by UMCOR, the United Methodist Committee on Relief out of the UMCOR West depot in Salt Lake City.

Bring something each day. Try to bring a whole kit by the end of the week.
